Waynesboro, Pa.—"I was all run down after a hard spell of bronchitis so it was hard for me to keep about. I had pains in my chest and took cold easily. A friend asked me to try Vinol. I did and it built me up so I am strong and well and I am able to do my housework which I had not done for three months before taking Vinol."—Mrs. E. N. Burroughs, Waynesboro, Pa.

GIVING OUT

The Struggle Discovers Many a

Around all day with an aching back.

Don't rest at night.

Enough to make any one "give out."

Don't's Kidney Pills are helping thousands.

They are for kidney backache;

And other kidney ills.

Here is El Paso proof of their merit:

F. M. Heath, railroad engineer, Chicago hotel, El Paso, says: "I have used

Don't's Kidney Pills on several occasions

and have found them an excellent

medicine for backache and other symptoms

of kidney trouble. A man in railroad

work is subject to kidney complaint

because of the constant strain on his

engine. For one who is both a

better than Don't's Kidney Pills."

The Treatment of
Influenza or La Grippe

It is quite refreshing these days to read of

a clearly defined treatment for influenza or

La Grippe. In an article in the "Lancet"

Clinic, Dr. James Bell, of New York City,

says he is convinced that too much medication

is both unnecessary and injurious.

When called to a case of influenza, the

patient is usually seen when fever is

present, as the chill which occasionally

precedes the fever has generally passed

away. Dr. Bell then advises that the patient

be opened freely with salts, "Aetiole" or

citrate of magnesia. For the high fever,

severe headache, pain and general soreness,

one Anti-Kamla Tablet every three hours

is quickly followed by complete relief.

Ask for A-K Tablets. They are also useful

for headache, neuritis and all pains.

TAKE LIME FOR TUBERCULOSIS

In the Journal of the American

Medical Association, July 27, 1915, Page

3065, Dr. C. P. Dices, of St. Louis, Mo.,

holds that a "deficiency of calcium"

is responsible for the physical

conditions which lead to tuberculosis,

and the therapy he advocates rests

on this basis.

One of the reasons for the wide-

spread success of Beckman's Alternative

in the treatment of tuberculosis is its

ability to supply this deficiency. It

contains a lime salt in such combination

with other valuable agents as to be

easily assimilated by the weak

person. Many cases seem to have

yielded to it.

We make no exaggerated claims for

it, but prefer that it be tried on the

same basis as any other prescription,

and that it be given on a trial basis.

It is safe, it is effective, it is sold
